CAROLINE

OFF TO A GAME!

What hath this day deserved? What
hath it done
That it in golden letters should be set
Among the high tides in the calendar?

Foreword

"Education forms the common mind, just as the twig is bent the tree's inclined." We at Caroline will separate and follow varied paths of life, but a very important part of us has seeped from a common source. The challenges, friendships, and ideals which we make here will become a part of each of us and always be present in our memories.

As you re-live these years and turn back the pages of time, may you always cherish the days spent at Caroline.

We, the "Cardinal Staff," give to you, students and faculty, the 1958 CARDINAL.

CLASSES

To be, or not to be: that is the question:
Whether 'tis nobler in the mind to suffer
The slings and arrows of outrageous fortune,
Or to take arms against a sea of troubles,
And by opposing end them.

The Mark of A Champion . . .

WHEN a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

Wrapped in Avisco Cellophane

Sparkling, crystal clear cellophane has come a long way since it was used to package only luxurious items like fancy bon bons and rare perfumes. Today, cellophane is used in literally thousands of different applications by at least 60 major industries.

Much of the growth and progress of the cellophane industry is due to the fine work of Fredericksburg area people, many of them graduates of Fredericksburg area High schools. American Viscose Corporation congratulates the 1956 seniors and wishes them success.
